3. At the same meeting, the Board decided to suspend the following four organizations from status with UNCTAD and remove them from the list of non-governmental organizations until such time as they re-establish communication with UNCTAD:

The above entries should therefore be deleted from TD/B/NGO/LIST/3.

4. The Board further took note that the International Enterprise Foundation of Geneva (IEFG) had been dissolved and would therefore be deleted from the list, and that the World Export Processing Zones Association had changed its name to the World Economic Processing Zones Association, retaining the acronym WEPZA.

5. Accordingly, the number of non-governmental organizations included in the list provided for in rule 77 of the rules of procedure of the Board now totals 185: 102 in the General category and 83 in the Special category. There are 12 national non-governmental organizations included in the Register.
